## Developer

### Our Vision

To provide a sustainable and integrated development of affordable homes with no burdening loans or heavy moving-in costs in a quality environment.

- Swimming pool & club house
- Extensive jogging & cycling tracks
- Nursery & daycare centre
- Multi purpose hall
- Parameter security
- Electric car charging stations
- 5G connectivity and fiberized homes
- Commercial centre within the area.

The development will be equipped with a central bus terminal to the KKIP factories and nearby vicinities as well as the city centre.

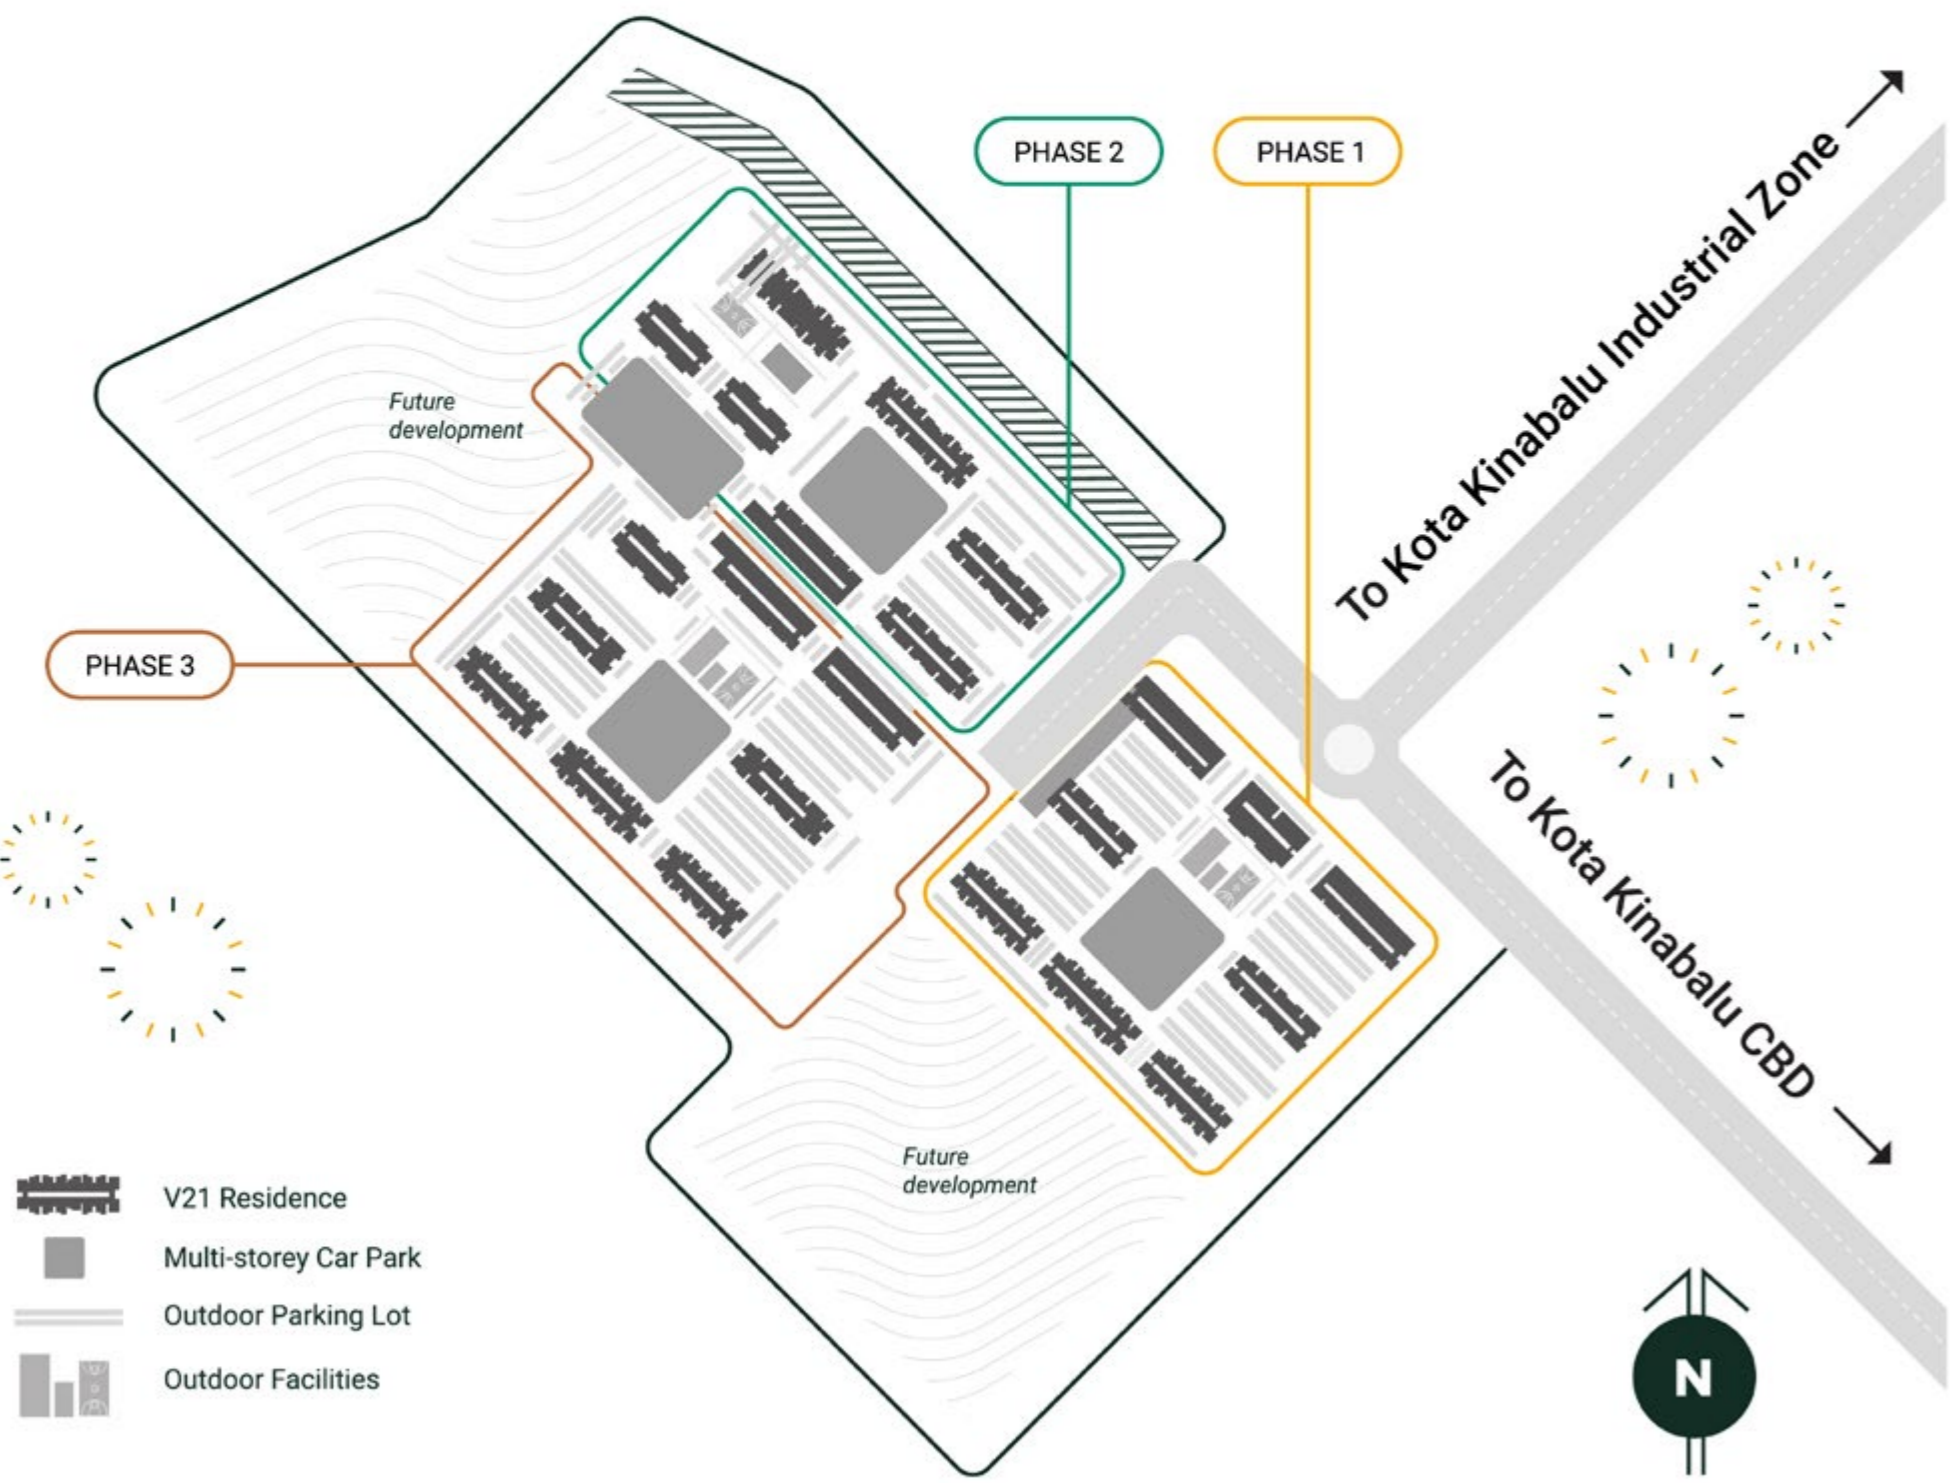

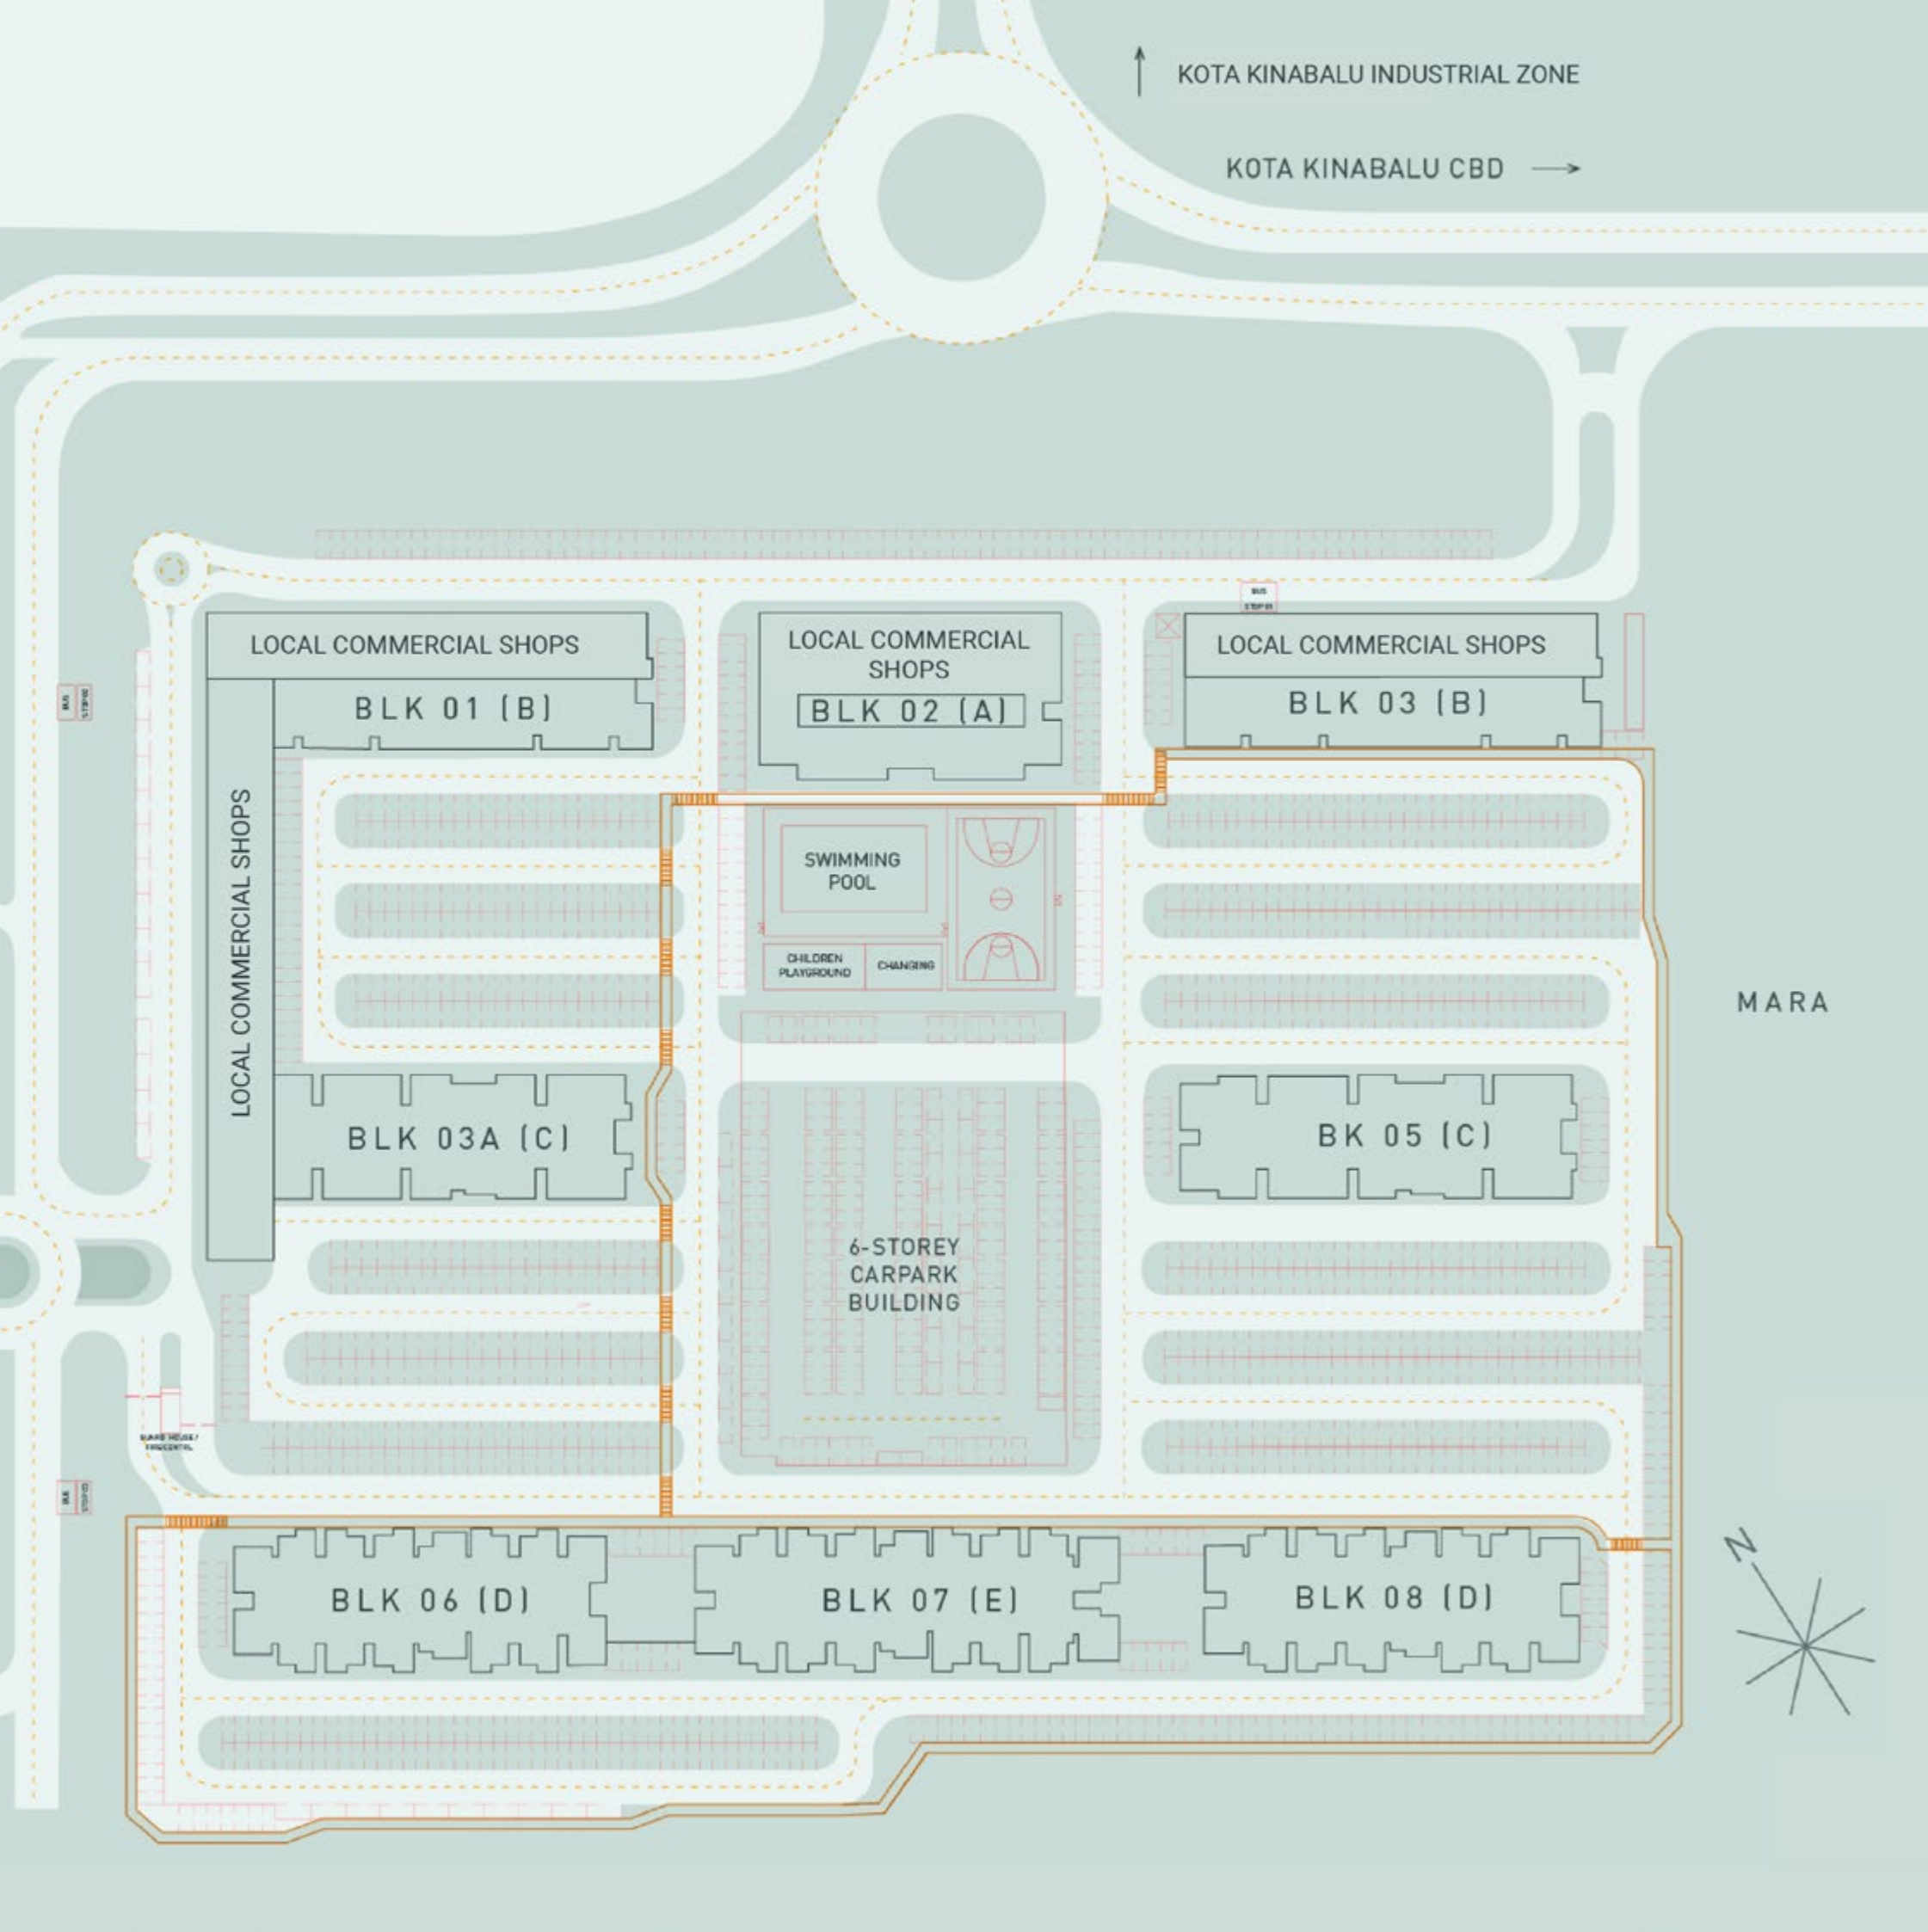

*What's nearby?*

## ***Fresh Air Everyday***

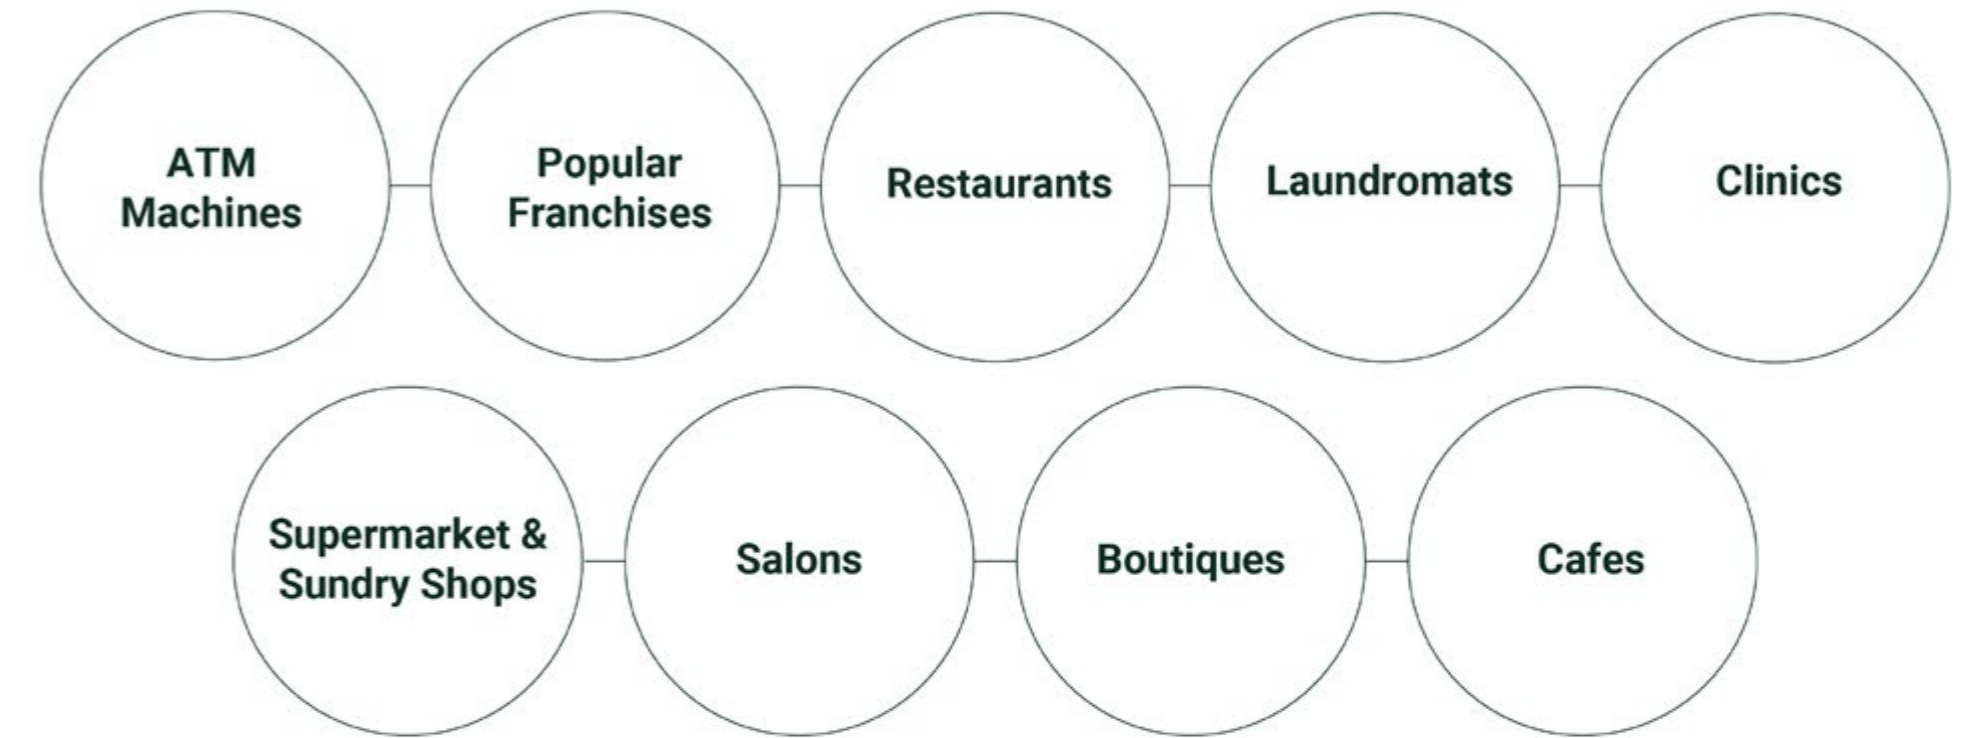

V21 Residence employs a state-of-the-art centralized exhaust system in the kitchens, so that any fumes or odours from cooking is filtered out of the building through natural ventilation; naturally preventing any backflow from coming back into the unit or penetrating other units in the building, allowing you to prepare your meals in peace.

## ***Proposed Retail Lots***

With the concept of convenience in mind, the development will feature a range of retail vendors to ensure that there is nothing lacking in your day-to-day life.
